CHESTER HIGH SCHOOL

CHESTER, ILLINOIS

Those things that make life at C. H. S. unique and happy are unfolded in the following pages and dedicated to all of us who loved them. May time not dim our memories, but may this volume make our recollections of the 1954-55 school year fresh and vivid.

CHESTER HIGH SCHOOL

The Home of the Yellowjackets. The first glimpse of Chester High School that you may have had no doubt brought mixed emotions. Our school with its hustling corridors crowded with faces new to you seemed to welcome you from the very beginning. New friends and new activities helped to make this year a memorable one.

With this book we hope to keep the memories of this school year in your mind.

DEDICATION

To Mr. Freeman N. Wise. . .social studies teacher at C.H.S. for thirteen years . . .currently co-sponsor of the senior class. . .a genial friend of students and faculty. . .and one of our school's most capable servants, we dedicate this page.

The FFA Club made the annual trip to Kansas City this year in October. The purpose of the trip was to attend the national FFA Convention. It is attended by more than 10,000 boys from all over the U.S.

The Club owns and operates a farm of 160 acres. We decided to name the farm and agreed that Tri-R-Ranch was the best of the proposed names. Tri-R stands for the three R's of school, "readin" "'ritin," and "'rithmetic." You can see even our name applies to school.

This Staff was organized in order to bring news of the happenings at C.H.S. to the townspeople as well as to the students. Each week our column appeared in the Herald Tribune. We hope you enjoyed reading it as much as we did writing it. We wrote all the exciting happenings that we heard about, not only school events, but also the private parties. Remember--If you have eloped, been drafted, moved, or taken a trip, it's news.

C.H.S. HOMECOMING 1954

On the day of October 15, Chester High School celebrated the 1954 Homecoming. The day began with the usual excitement of freshman initiation.

At noon the students and teachers assembled in the gym for a short pep session led by the cheerleaders. A parade was then formed by the students, led by the football players, queen candidates, and cheerleaders, who marched to the Joy Theater to see "Come Back Little Sheba" with Burt Lancaster and Shirley Booth.

Crowning of the Queen

The same evening the Chester Yellowjackets swamped the Carbondale Terriers 34-0. At 9:30 the dance began to the music of Stan Nelson's orchestra. At 11:15 came the big moment. Entering first was Rita Smith, the retiring queen, escorted by Don Daschka. Next was Betty Jo Mueller, escorted by Gary Frazer, and Saundra Fey, escorted by Dick Decker. Then entered the new queen, Ruth Wiebusch, escorted by Jerry O'Conner.

The 1954 Annual Homecoming ended at 12:30 with the closing of the dance.

Diversified Occupations, more Commonly known as "D. O. ", is an opportunity for students to learn trades as part of their school work. By working a part of each school day, these students may become so efficient in the execution of their tasks that many of them can continue in the same work after graduation. This is an excellent chance for students to choose their life's work.

Good cooks always depend on Omega—the flour that contains no tough gluten. The famous flour that gives *better* results with *¼ less shortening!*

The SOUTH'S FINEST for 100 years

SO WHAT!

Getting out this yearbook is no picnic.
If we print jokes, people say we're silly;
If we don't, people say we are serious.
If we clip from other books,
We are too lazy to write it ourselves;
If we don't, we are stuck on our own stuff.
If we stick to the job all day,
We ought to be out hunting pictures;
If we do get out and hustle,
We ought to be putting first things first.
If we don't print contributions,
We don't appreciate true genius;
If we do, the book is filled with junk
If we make a change in a fellow's write-up,
We are too critical;
If we don't we are asleep.
Now, like as not some one will say
We swiped this from some other book--
We did!

Yours truly,
The Summit Staff
